# WOOD TECH WARSAW EXPO 2025

– A MEETING OF EXPERTS AND INNOVATORS IN WOOD  
PROCESSING AND FURNITURE MANUFACTURING IN POLAND

**Wood Tech Warsaw Expo** is the largest event of its kind in Poland and one of the key trade shows in Central and Eastern Europe dedicated to wood processing and furniture production technologies. The 4th edition of the fair took place on **March 4–6, 2025**, at **Ptak Warsaw Expo** in Nadarzyn near Warsaw. The event served as a platform for knowledge exchange, showcasing innovations, and building business relationships for professionals from the woodworking and furniture industries.

## Event Statistics:

*Inspiration every day*

„Participating in WOOD TECH WARSAW EXPO 2025 was not only an important event for us, but above all a great opportunity to premiere our innovative gluing device. The high level of interest from visitors and their positive feedback confirmed that our solutions meet the market's expectations. This motivates us to continue developing. We would like to thank the organizers and our partner KLEIBERIT for a successful presentation that opened new perspectives for our industry.”

# RECORD-BREAKING ATTENDANCE

**10,833 professionals from the woodworking and furniture industry** filled the exhibition halls, creating an exceptionally business-oriented audience. The strong presence of companies from Central and Eastern Europe, as well as other international markets, translated into hundreds of B2B meetings and real business inquiries. Importantly, a significant portion of attendees were key decision-makers – individuals directly responsible for investing in machinery, new materials, and software for production facilities.

## 25+ COUNTRIES REPRESENTED

Publications in the Romanian trade magazine ***Revista din Lemn*** and the English-language newsletter ***WoodIndustry.News*** confirm that Wood Tech Warsaw Expo 2025 is recognized as one of the most important industry events in the CEE region – bringing together leaders in wood processing and furniture technology.

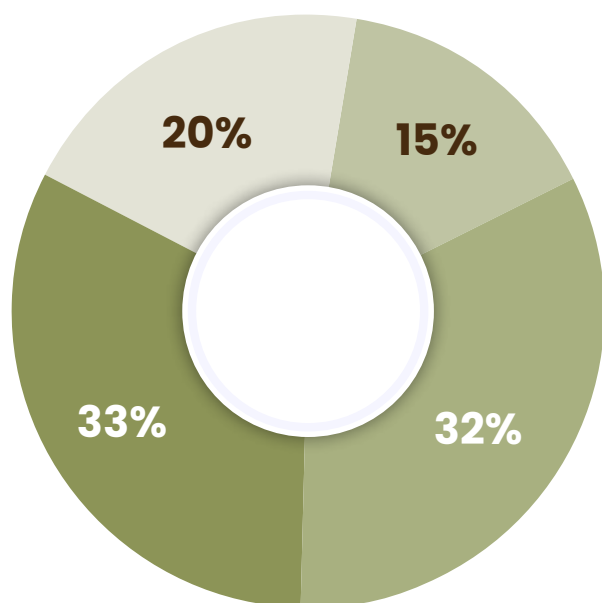

**BOOK YOUR STAND**

# WHO WERE THE VISITORS?

THE VAST MAJORITY WERE  
**DECISION-MAKERS AND INDUSTRY SPECIALISTS**

**Visitors represented diverse and rapidly growing sectors!**

The trade fair brought together experts, professionals, and enthusiasts from the most important areas of the industry – from modern woodworking machinery, through precision cutting technologies, to advanced automation and furniture production components. It is precisely this diversity that makes our event not only a business platform, but also a space for inspiring meetings and knowledge exchange.

**33%** Joinery and furniture manufacturers

**32%** Owners / CEOs

**20%** Production managers and sales representatives

**15%** Designers, technologists, and machinery operators

# PATRONS & PARTNERS

A strong network of content partners and patrons is the foundation of a professional and widely recognized event. The 2025 edition of Wood Tech Warsaw Expo gained the support of leading trade media, thematic portals, and institutions that actively support the development of the woodworking, furniture, and technology sectors.

Thanks to their involvement, the fair received strong promotional support across B2B channels and successfully reached precisely selected target groups: manufacturers, distributors, carpenters, technologists, and designers.

# TRADE FAIR AWARDS

## WOOD TECH WARSAW EXPO 2025

During the event, the **Ptak Warsaw Expo Trade Fair Medals** were awarded to honor the most innovative and valuable products, as well as companies distinguished by the quality of their offering and contribution to the development of the industry.

# SIDE EVENTS

Over the three days of Wood Tech Warsaw Expo 2025, a series of side events took place, significantly enriching the expert content of the fair. The program included industry conferences, hands-on workshops, expert-led lectures and demonstrations, networking sessions, and the Trade Fair Awards Ceremony. These events attracted numerous professionals and served as a valuable complement to the exhibition area.

## Conference: “Automation and Robotics in the Modern Wood Industry”

Organizer:

## Industry Expert Presentations:

**Piotr Poziomski**

*President of the Polish Chamber of  
Commerce for the Wood Industry (PIGPD)*

**„The Wood Industry in Poland – Current State, Challenges and Perspectives”**

**Michał Strzelecki**

*Director of the Polish Chamber of  
Commerce for Furniture Manufacturers (OIGPM)*

**„The Furniture Industry in Poland – Current State, Challenges and Perspectives”**

## Company presentations:

**HOMAG**

**FESTOOL**

**METAL TECHNIKA**

**LIGNUMSOFT®**

## Workshops:

# “Trends in Furniture Tools and Accessories”

Organizers:

**FESTOOL**  
bivert

During the three-day **carpentry workshops** at **Wood Tech**, participants explored the full process of **furniture production** – from precise HPL board cutting and countertop installation, to professional edge banding and final kitchen cabinet assembly.

### Why was it worth attending?

- **Practice with the masters** – hands-on sessions led by certified Festool trainers: Kamil Parada and Sławomir Trojan,
- **Premium equipment** – every participant worked with Festool tools and received individual purchase guidance,
- **Live demos & expert commentary** – step-by-step walkthroughs of top techniques, tips and tricks ready to implement immediately.

*Result? Hundreds of perfectly crafted elements, new skills for all participants, and a solid dose of inspiration for creating top-quality furniture!*

## DIY Zone: Tinkerer's Days

Organizer:

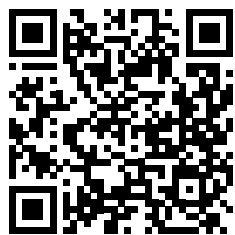

NARZEDZIOHOLICY.PL

The DIY Zone turned into a true festival of DIY passion! Visitors tested the latest power tools from Wolfcraft, Scheppach, ScanGrip, Panasonic, Menzer, Starmix, Stabila, and more. There were workshops with Mariusz Lipiński & YouTube guests, consultations with experts like Łukasz Lange, and competitions for precision, speed, and flawless finish.

### Highlights included:

- Live demos and tool testing in action
- Step-by-step carpentry tutorials
- 1-on-1 expert advice
- DIY projects with tool rental on site
- Competitions: Master of Precision, Speed King, Bit Wizard, Finishing Champion
